

JEFF BARNES

PRESIDENT AND CEO OF NACHURS ALPINE SOLUTIONS

Jeff Barnes serves as the President and CEO of Nachurs Alpine Solutions, a leading North American specialty liquid chemical manufacturer that supplies several markets including agricultural, energy, transportation, as well as various other industrial markets. Jeff joined Nachurs Alpine Solutions in 2007 becoming the CEO in 2014. He is based at the Nachurs Alpine Solutions headquarters in Marion, Ohio.

Jeff has over 25 years of experience in senior management positions. Before joining Nachurs Alpine Solutions he worked for Electrolux/Frigidaire and General Electric. He has worked in northeast Italy and Buenos Aires, Argentina as well as various locations in the United States. Jeff is a member of the Working Group on Plant Nutrition Products for the International Fertilizer Association to promote the international understanding of the types of products Nachurs Alpine Solutions produces.

Jeff has a Bachelor of Science degree from Muskingum University and a Masters of Business Administration from The Ohio State University. He and his wife, Dorothy, live in Dublin, Ohio.
