

A New Benefits Plan For the Future

*At Wilbur-Ellis, your wellbeing is our priority. **With open enrollment for 2022 just around the corner, we're excited to introduce a new Health Savings Account (HSA) PPO plan for 2022 – giving you savings and control over your annual medical costs.***

MARK YOUR CALENDARS

COMING UP

Sept 28 – Oct 21: Join a Training Session

Over the next several weeks, we are hosting a number of open training sessions where you can learn more about the HSA-PPO plan and how it can benefit you. There are both English and Spanish language sessions being offered, and spouses are encouraged to join you. [View the training schedule and sign up for a session](#)

Nov 1 – 19: Open Enrollment with a benefits counsellor

You are required to actively enroll to have coverage in 2022. Enrollment must be done with a benefits counsellor who will talk you through the plan options and enroll you. more information on how to book your enrollment session will be available in your benefits booklet which will be mailed to your home address*.
